van der Vecht**

year  
**2024**

Assembly instructions: please follow step 1 - 20.

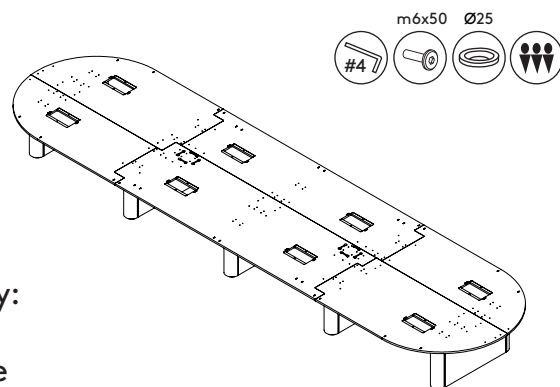

arco

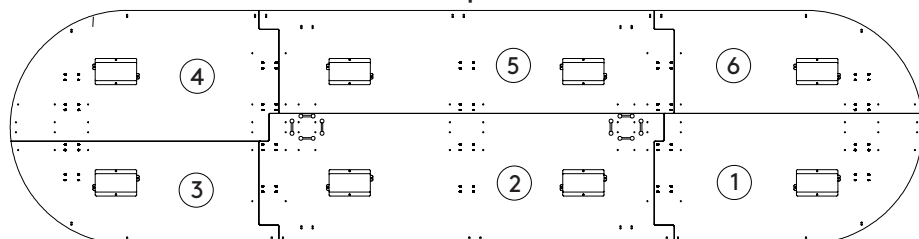

2

Please identify the six  
different substructures

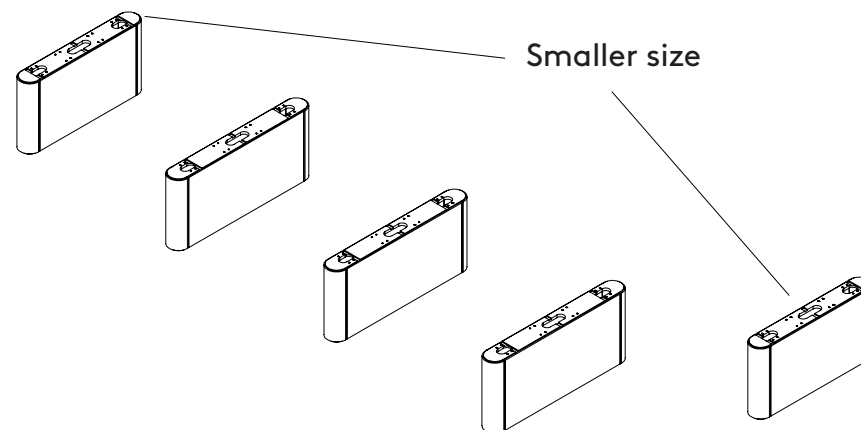

They can be identified by:  
Shape and size  
Number on head side

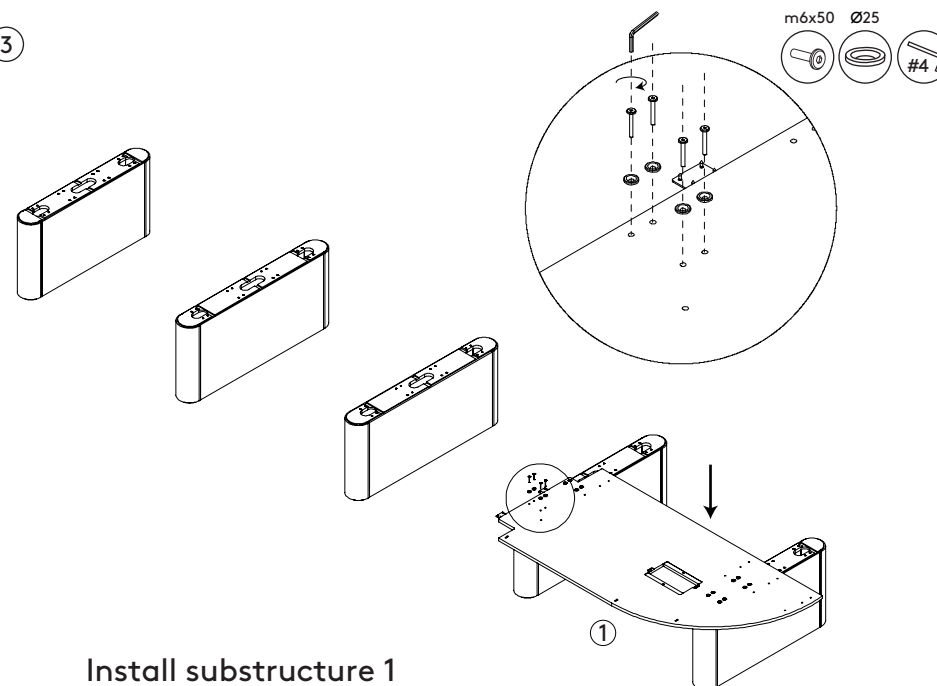

Topside

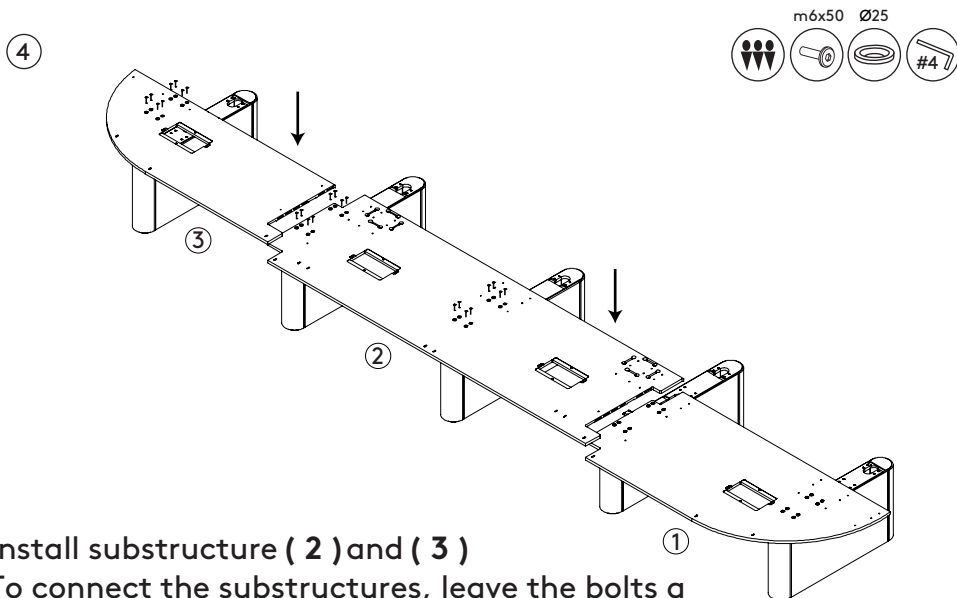

1

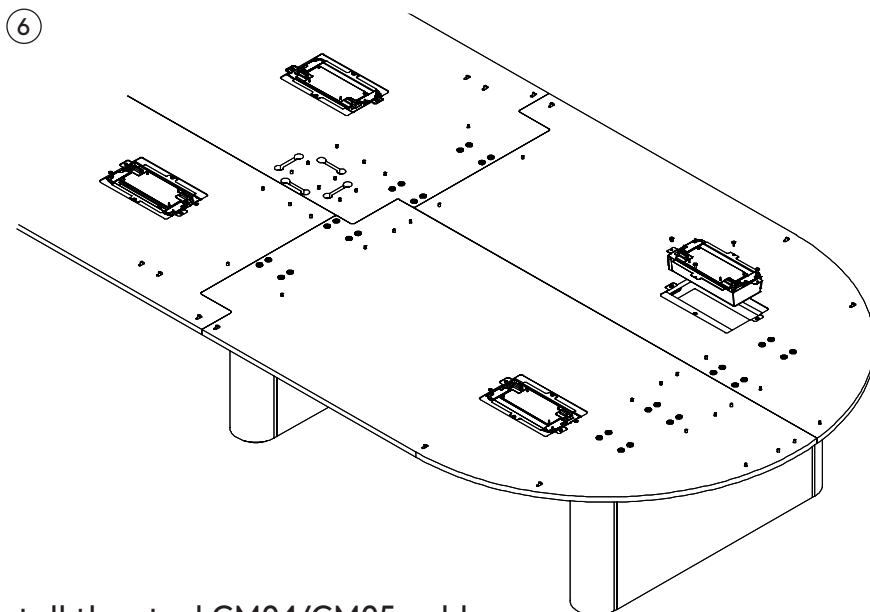

3

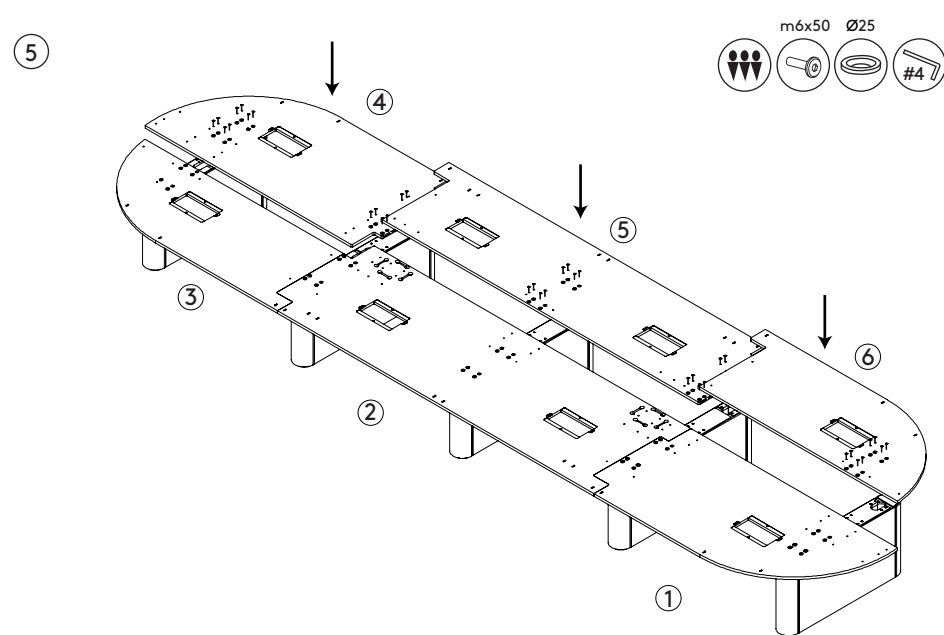

#### Install substructure ( 2 ) and ( 3 )

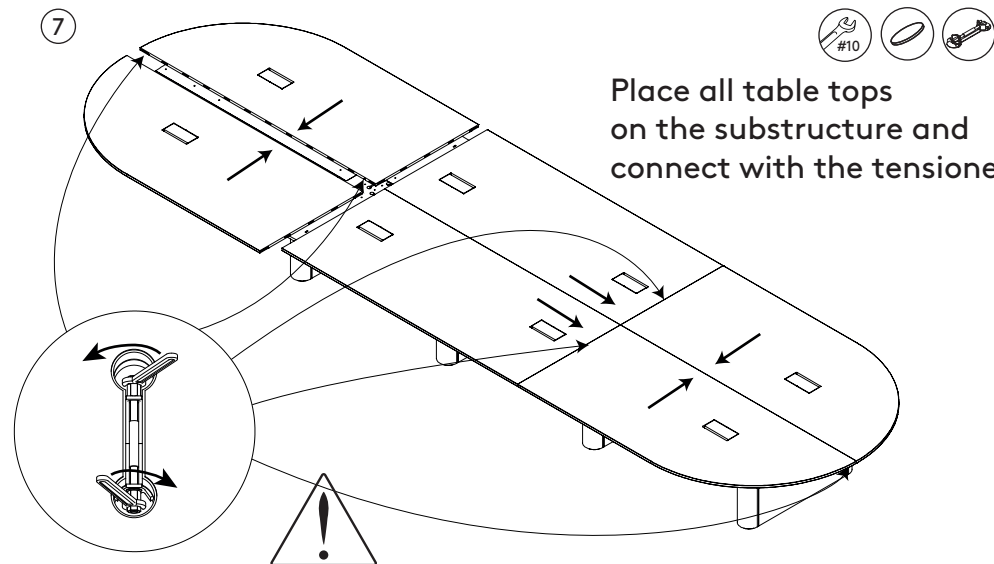

To connect the substructures, leave the bolts a little untightened. Close the gaps between the substructures. Then tighten the bolts.

Install the steel CM04/CM05 cable management system if included

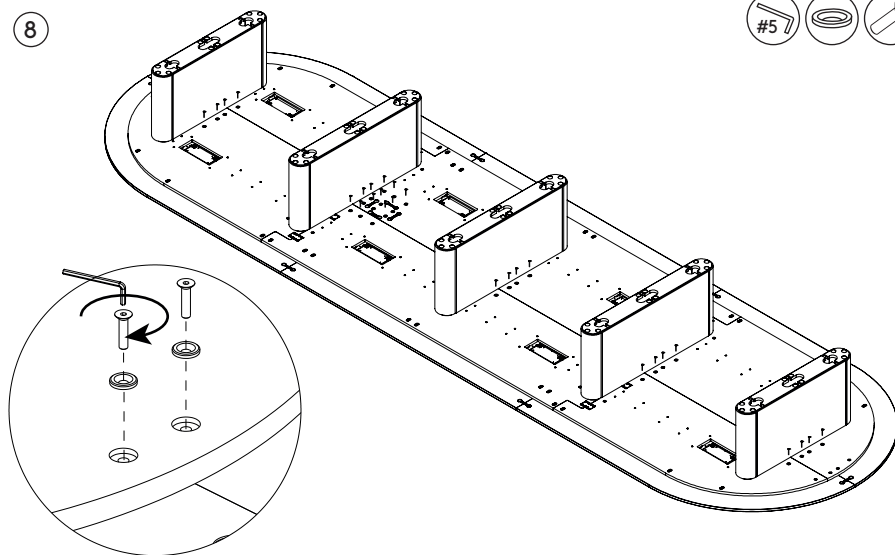

#### Install substructure ( 4 ), ( 5 ) and ( 6 )

Place all table tops on the substructure and connect with the tensioners

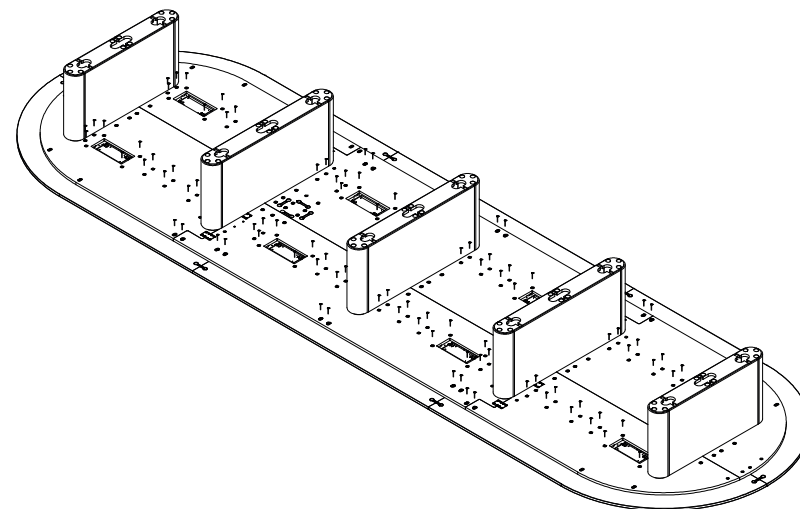

Don't forget to insert the connection disks between the tabletops!

8

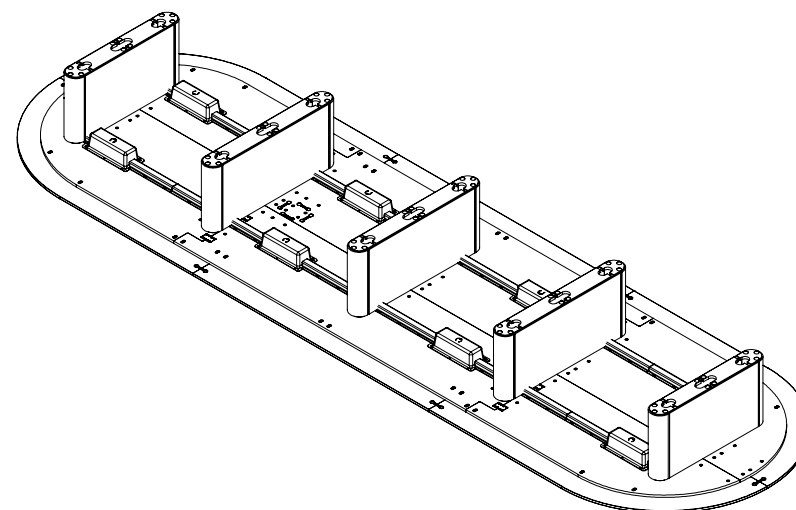

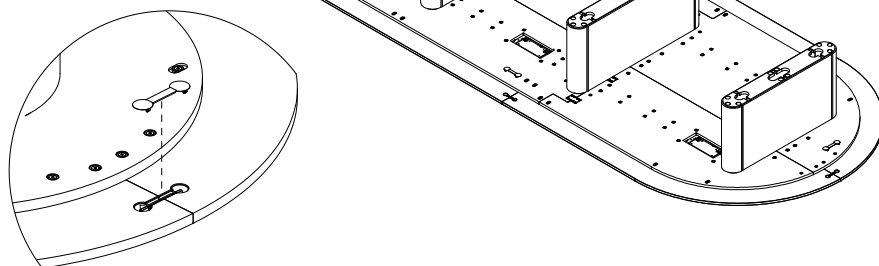

Start bolting from the center

9

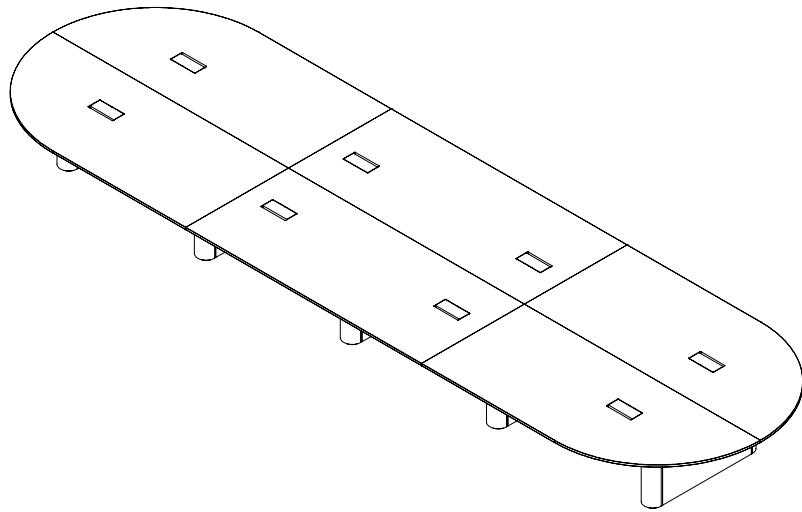

11

Install the felt covers if they are included
