Assembly instructions: please follow step 1 - 12.

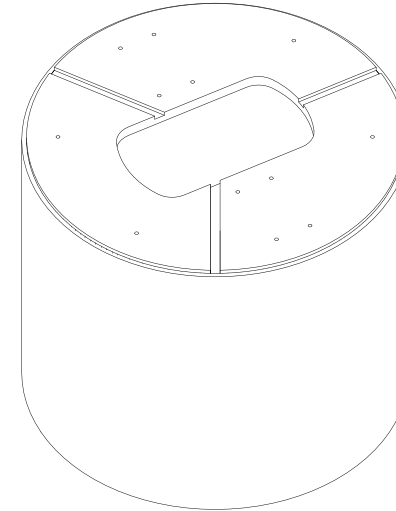

arco

2

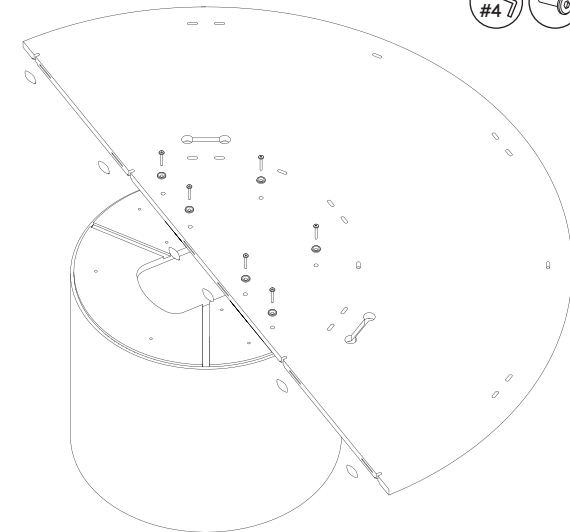

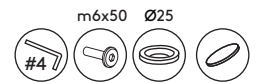

Insert the provided sand bags into the columns

1

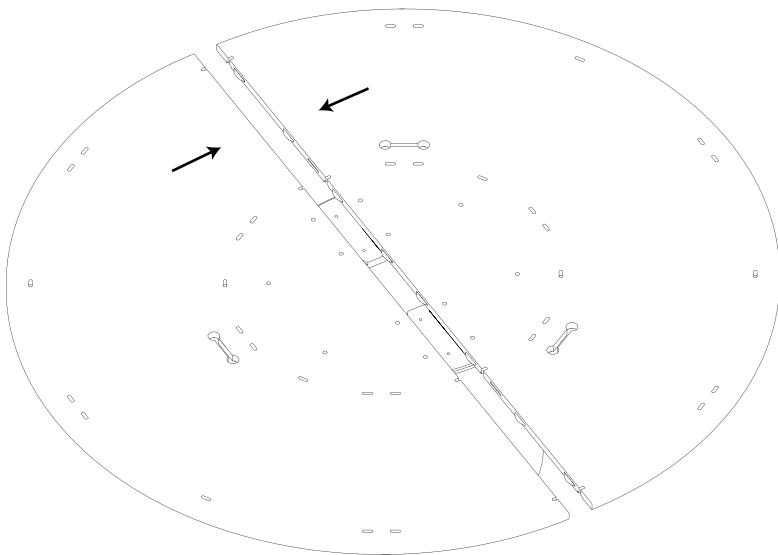

Place the column on the right spot

3

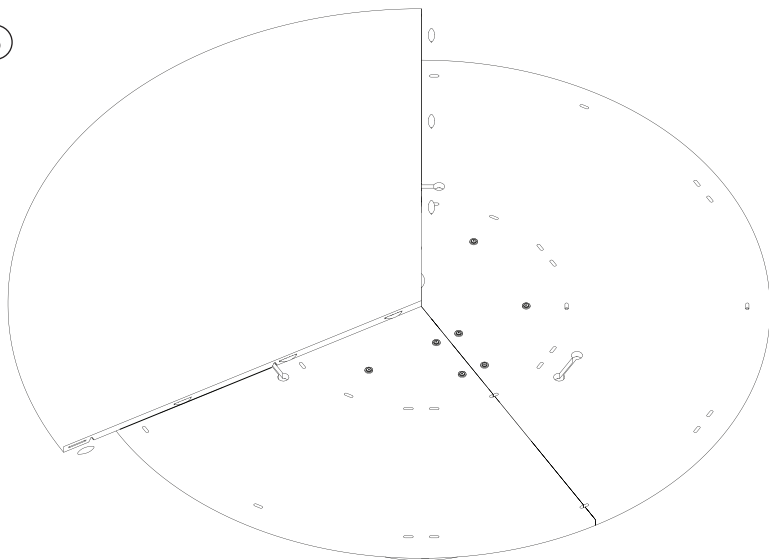

Place and connect the first half of the substructure to the column. Don't forget to put in the connector disks!

4

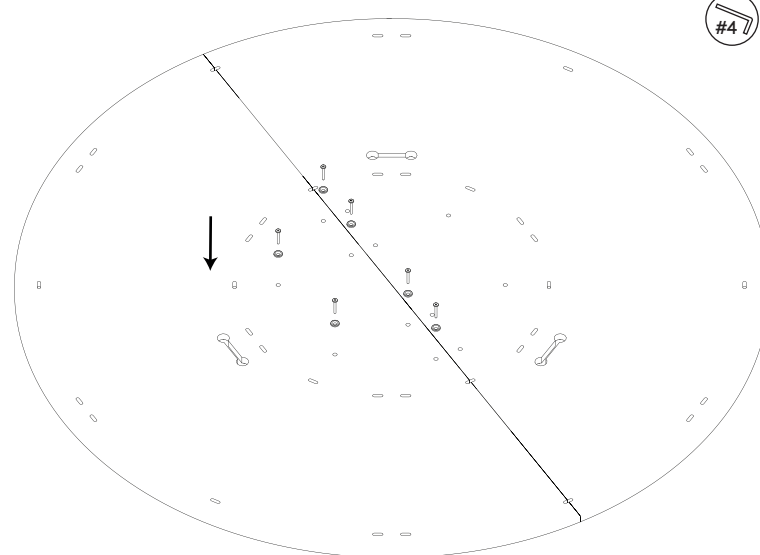

Place the second half of the substructure against each other

6

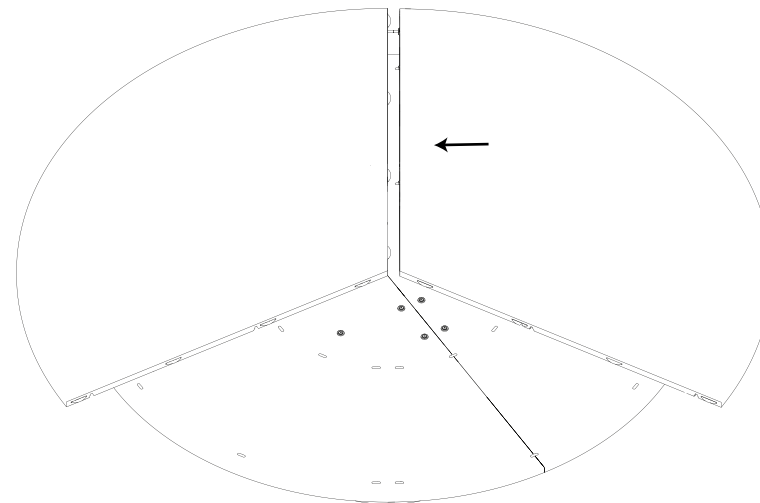

Place the first 1/3 of the tabletop on the substructure.
Don't forget to put in the connector disks!

5

Attach the substructure to the column with bolts

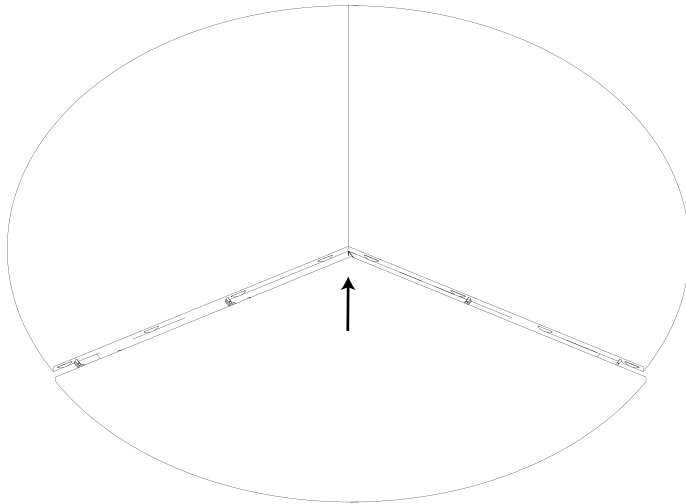

7

Place the second 1/3 of the tabletop on the substructure.
Don't forget to put in the connector disks!

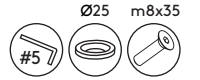

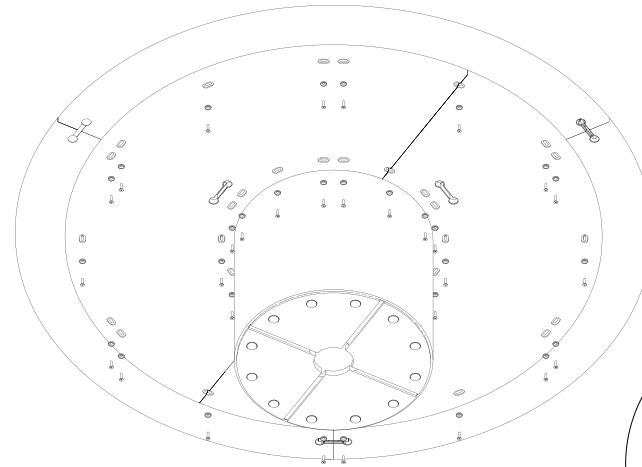

8

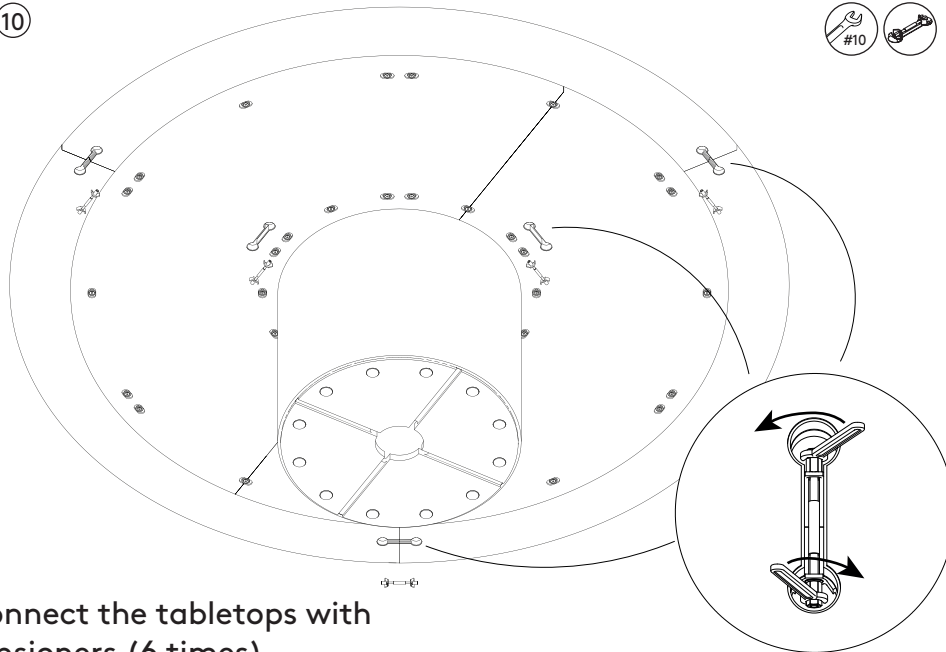

Place the last 1/3 of the tabletop on the substructure and push them together

9

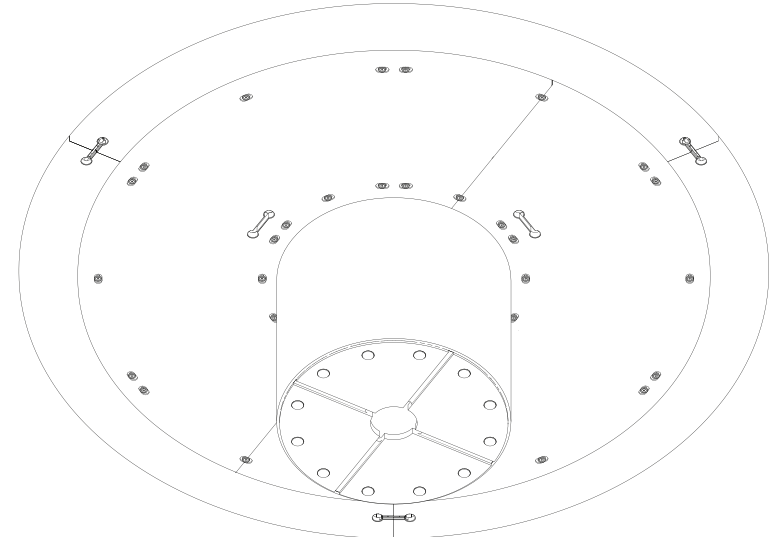

Bolt the tabletops to the substructure.
Don't tighten them yet!

10

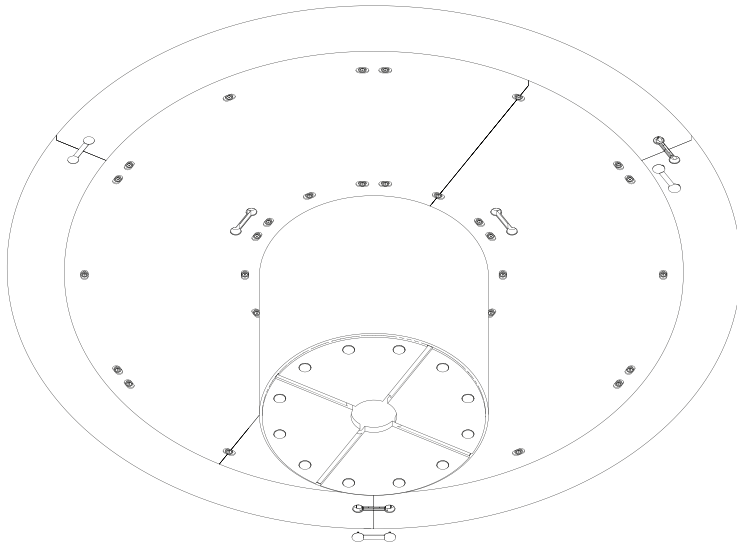

Connect the tabletops with
tensioners (6 times)

11

Tighten all the bolts

12

Attach all tensioner covers
